RE: Small Cities Community Development Block Grant Program FY2008

A public hearing for informational purposes relative to the program was held on March 27, 2008 at 10:30 a.m. in the Permit Central Conference Room, 2275 Bauer Road, Batavia, Ohio 45103.

The county's formula block grant allocation for FY2007 was \$639,000. We also received a separate allocation for the City of Milford totaling \$31,000, which was combined with the County's allocation because the City of Milford did not request it. We are anticipating receiving approximately the same allocations for the formula block grant allocation for FY2008 and for the City of Milford.

The attached application package includes:

- Notice of Public Meeting for the FY2008 Community Development Block Grant Program.
- Clermont County's FY2008 CDBG Formula Application
- Basic Eligible Activities under the CDBG Program
- CDBG Program Ineligible Activities
- 2000 Census Data
